

A background image showing a swimmer in a pool. A person's hands are resting on the swimmer's shoulders, suggesting coaching or encouragement. The swimmer is wearing a yellow swim cap and goggles. The water is clear and blue.

Recreational Swim Team

The Recreational Swim Team is offered to swimmers who can swim at least 1 proficient length of both the freestyle and backstroke. This is a pre-competitive swim program that will ready your child for competitive swimming. Divided by ability, our coaches teach cutting edge techniques to help swimmers with speed, stroke refinement and endurance.

Our Recreational Swim Team is offered:

Monday-Wednesday from 7:30pm-8:30pm, and also on Sundays from 5:00pm-6:00pm and 6:00pm-7:00pm.

The cost is \$78.00 per month, and the best part of our team is that all THREE coaches are in the water helping your child for one hour. Pick your day and time and register your child for a fun, educational experience at Goldfish Swim School.
